DISCLOSEABLE TRANSACTION SUBSCRIPTION OF PRINCIPAL-PROTECTED STRUCTURED DEPOSIT

The Board wishes to announce that Lifetech Shenzhen, a wholly-owned subsidiary of the Company, entered into the Structured Deposit Agreement on 17 June 2022 with Bank of Ningbo pursuant to which Lifetech Shenzhen subscribed for principal-protected and floating income structured deposit issued by Bank of Ningbo in the principal amount of RMB50,000,000.

As the highest applicable percentage ratio calculated pursuant to Rule 14.07 of the Listing Rules in respect of the Subscription exceeds 5% but is less than 25%, the Subscription constitutes a discloseable transaction for the Company subject to the reporting and announcement requirements but exempt from the circular and shareholders' approval requirements under Chapter 14 of the Listing Rules.

STRUCTURED DEPOSIT AGREEMENT

On 17 June 2022, Lifetech Shenzhen, a wholly-owned subsidiary of the Company entered into the Structured Deposit Agreement with Bank of Ningbo in relation to Lifetech Shenzhen's subscription of the Structured Deposit issued by Bank of Ningbo. The principal terms of the Structured Deposit Agreement are as follows:

Parties	: (i) Lifetech Shenzhen, as the subscriber (ii) Bank of Ningbo, as the issuer
Type of the Structured Deposit	: Principal-protected and floating income structured deposit

Principal amount	: RMB50,000,000
Term	: 194 days commencing from 17 June 2022 and expiring on 28 December 2022
Expected interest income	: 1.5% to 3.4% per annum, payable on 30 December 2022
Early termination	: The principal subscription amount can only be withdrawn at maturity

REASONS AND BENEFITS FOR ENTERING INTO THE STRUCTURED DEPOSIT AGREEMENT

The Company is of the view that the Subscription is an efficient use of temporary idle funds with reasonable returns and the principal amount invested by the Group was determined by the Group having regard to its cash position, working capital requirements and the risks and return of the Structured Deposit. As the Structured Deposit offers better potential returns together with 100% principal protection to Lifetech Shenzhen when compared to other fixed-term deposit interest rates generally offered by commercial banks in the PRC, the Directors consider that the terms of the Subscription are on normal commercial terms or better to the Group, and are fair and reasonable and in the interest of the Company and the Shareholders as a whole.

The subscription of the Structured Deposit was funded by internal resources and was conducted on the premise that the Subscription would not adversely affect the operation of the Group's principal business.

IMPLICATIONS UNDER THE LISTING RULES

As the highest applicable percentage ratio calculated pursuant to Rule 14.07 of the Listing Rules in respect of the Subscription exceeds 5% but is less than 25%, the Subscription constitutes a discloseable transaction of the Company subject to the reporting and announcement requirements but exempt from the circular and shareholders' approval requirements under Chapter 14 of the Listing Rules.

INFORMATION OF THE PARTIES

The Group is principally engaged in the developing, manufacturing and marketing of advanced minimally invasive interventional medical devices for cardiovascular and peripheral vascular diseases and disorders. Lifetech Shenzhen is a wholly-owned subsidiary of the Company, principally engaged in developing, manufacturing and trading of medical devices.

Bank of Ningbo is a licensed bank incorporated under the laws of the PRC. To the best knowledge, information and belief of the Directors, Bank of Ningbo and its ultimate beneficial owners are third parties independent of the Company and its connected persons. Based on information publicly available, the principal businesses of Bank of Ningbo include the provision of corporate banking, retail banking, wealth management, financial market and asset management services.
